**About Anguilla**
Tucked away in the northern Caribbean, Anguilla is a shy beauty with a warm smile. A slender length of coral and limestone fringed with green, the island is ringed with 33 beaches, considered by savvy travelers and top travel magazines, to be the most beautiful in the world. Anguilla lies just off the beaten path, so it has retained a charming character and appeal. Yet because it can be conveniently reached from three major gateways: Miami, FL (MIA), Puerto Rico (SJU), and St. Martin (SXM); and by private air, it's a hop and a skip away. Romance? Barefoot elegance? Unfussy chic? And untrammeled bliss? Lose The Crowd. Find Yourself. In Anguilla.
