FOR IMMEDIATE RELEASE

ANGUILLA WEATHERS HURRICANE TAMMY WITH MINIMAL IMPACT AND IS READY TO WELCOME VISITORS

The Valley, Anguilla, October 23, 2023: The Anguilla Tourist Board (ATB) is delighted to share the news that Hurricane Tammy has passed near to Anguilla with minimal impact, reaffirming that the island is fully open for business. While the storm did bring some wind and rain, we are grateful to advise that there are no reports of damage or injury to people or property. The hurricane warning has been discontinued for Anguilla.

As of yesterday, October 22nd, 2023 at 10:00AM, all normal operations resumed at the Air and Seaports. The temporary closure of the Clayton J Lloyd International Airport, Blowing Point Ferry Terminal, Road Bay Port and Anguilla/St. Maarten Ferry Terminal was a precautionary measure during the passage of Hurricane Tammy.

The safety and well-being of everyone on the island remain our top priority, and we sincerely appreciate the understanding and cooperation of all residents, visitors and staff during this period of precautionary action.

The ATB is excited to extend a warm welcome to all visitors, inviting them to experience the breathtaking beauty of Anguilla's pristine beaches, world-class resorts, exceptional restaurants and a wide range of attractions. Our properties have reopened their doors for the upcoming fall and winter season, offering newly renovated accommodations and a multitude of exciting guest experiences.

About Anguilla

Tucked away in the northern Caribbean, Anguilla is a shy beauty with a warm smile. A slender length of coral and limestone fringed with green, the island is ringed with 33 beaches, considered by savvy travelers and top travel magazines, to be the most beautiful in the world. A fantastic culinary scene, a wide variety of quality accommodations at varying price points, a host of attractions and exciting calendar of festivals make Anguilla an alluring and entrancing destination.

Anguilla lies just off the beaten path, so it has retained a charming character and appeal. Yet because it can be conveniently reached from three major gateways – Miami, FL (MIA), Puerto Rico (SJU), and St. Martin, (SXM), and by private air, it's a hop and a skip away.
